5th November 2013

Dear Parents and Carers,

Twycross Outreach Team

We have arranged for the Twycross Outreach Team to come to school on Friday 15th November. The educational visitors will be talking about animal adaptation and how animals survive in different environments. This will also be linked to our topic, "The Big Freeze".

A voluntary contribution of £3.50 would be appreciated. Please note that if we don't receive sufficient contributions, the workshop may not be able to go ahead. If you are having difficulty paying, please speak to Mr Barrow in confidence, and we can discuss either a payment plan or a reduced contribution.

Yours sincerely,

Mrs Tennant and Miss Baker
