24th February 2014

Dear Parents and Carers,

YEAR 3/4 - NATIONAL CLIMATE WEEK ACTIVITIES

Next week, we will be celebrating National Climate Week, which links with our **Keen to be Green** learning theme. On Wednesday 5th March, we will be holding a "Swap Shop" - on this day, children are asked to bring in items that they no longer want. They will then be able to "swap" their item with somebody else for something they do want. This will hopefully reinforce the message of recycling and reusing.

On Thursday 6th March, we will be taking part in the National Climate Week challenge. This will see the children completing a challenge in groups of six. They won't know the details of the challenge until the morning itself. The winning entry will then be sent off to represent our school. The children don't need to prepare anything for this challenge; we just thought you would like to know.

Kind regards,

Mrs Darlington, Mrs Eastham & Mr Hebert
