Dear Parents and Carers,

**Re: Children's Centre Tender Outcome**

As you know, we recently put in a bid for The Kenilworth Children's Centres. Sadly, on this occasion we were not successful in our bid.

Naturally, we are extremely disappointed, particularly given the hard work, passion and emotion that went into putting the bid together; a bid that we believed was very convincing.

Lot 8 (The Kenilworth Children's Centres), has been awarded to Barnado's. They have also been successful in securing other lots across the Authority.

I am now going to work hard on securing excellent relationships with Barnado's to ensure that the Children's Centre remains an absolutely integral part of the community. Even though I will not be Head of Centre from September, it is still very important to me that the children and families in our community are well served. I am not seeing this as the end, but rather the start of a new relationship. I am extremely positive that this will work well.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely,

**Mr D Barrow**
