13th June 2014

Dear Parents / Carers,

YEAR 5 – PSHE CURRICULUM

In the remaining weeks of the summer term, Year 5 will have a series of lessons about gender differences, human reproduction and relationships. This forms an important part of their Science and PSHE curriculum. A major part of these lessons will be programmes from the Channel 4 series, "Living and Growing".

The programme content is as follows:

- ❖ Physical and emotional changes in girls and boys during puberty and coping with these
- ❖ Relationships, marriage and the media

If you wish to preview these programmes before your child watches them, please return this slip by Friday 20th June 2014.

Yours sincerely,

Mr A Simms
