19th June 2015

Dear Parents and Carers,

MONEY AWARENESS WEEK

Next week, we will be running a whole school money awareness week. This will be an exciting opportunity for the children to learn more about financial management at an appropriate level for their age. Each class will be planning money-related activities throughout the week, and there will be a special whole school homework too.

We will be asking our Year 6 children to 'Grow a Pound'. This will be a chance for them to develop their skills as young entrepreneurs by developing their own small businesses. On Thursday 25th June, Years 1 to 5 will be able to visit the businesses that Year 6 have created. **On Thursday, children are invited to bring in 50p to buy any products or play any of the games that Year 6 have created.**

We look forward to an exciting and informative week.

Many thanks for your support.

Mrs M Baker
Deputy Head
