Dear Parents and Carers,

MILK FOR OVER-FIVES

As you will be aware, every child under the age of five is entitled to free school milk and school orders milk for all under-fives to drink at morning break unless parents ask us not to do so. Once your child turns five you have the option to pay for them to continue to receive milk to drink at break. This is available at a subsidised cost of 22p per day.

If you wish your child to continue to have break-time milk after their fifth birthday, you will need to register with Cool Milk. This can be done on line by visiting www.coolmilk.com, selecting 'Register your child for milk here' and following the on-screen instructions to register and pay.

At lunchtimes, milk is made available free of charge for all Reception and Key Stage 1 children to drink with their midday meal if they so wish. Key Stage 2 children who are eligible for free school meals can also access milk at lunchtimes free of charge.

If you have any queries regarding school milk please speak to the School Office, or contact Cool Milk directly at customerservices@coolmilk.com.

Yours sincerely,

Mr D Barrow
Head Teacher
