Dear Parents / Carers,

PARENT QUESTIONNAIRE

I am writing to share the results of the parent questionnaire which many of you kindly took the time to complete during the recent parents' evenings.

We were delighted with the overwhelmingly positive responses, which are outlined in full on the reverse of this letter.

In summary, 100% of parents **agree** or **strongly agree** that:

- Their child feels safe in school
- Their child is well looked after at school
- The school is well led and managed
- They would recommend the school to other parents

99% of parents also **agree** or **strongly agree** that:

- The school responds well to any concerns raised
- The school ensures pupils are well behaved
- Their child is taught well
- Their child is happy
- Their child is making good progress

All feedback is gratefully received, and we are aware that one of the areas you feel needs to be developed in the future is ensuring that children receive the correct amount and type of homework. This is currently being discussed and reviewed in school, and parent views will be taken into account at the parent forum meetings.

Please can I take this opportunity to thank you for your ongoing support?

Kind regards,

Mr D Barrow
