Dear Parents and Carers,

HAMSTERS

I'm sure that most of you are already aware that we have two new class members - Cocoa and Marshmallow. They are our two baby Russian dwarf hamsters and we are learning about how we can keep them happy and healthy. Many children in the class have expressed an interest in taking the hamsters home either for the weekend or the holidays.

If you are interested in giving the hamsters a home (temporarily), please complete the permission slip below and return it to school no later than **Monday 10th October**. Once all slips have been returned, I will create a class pet rota - you will be notified in advance when the hamsters are coming to stay. If, for any reason, you cannot have the hamsters on a certain date (or at all), please let me know and we can re-arrange. When taking the hamsters home, you will receive a letter with details on how to care for them and a weekend bag with their food and other toys.
