Dear Parents and Carers,

## ACCEPTABLE USE POLICY

We are currently working towards our 360 degree e-safety mark. As part of this, we have to work as a school to raise awareness of online safety. This has involved a complete policy and curriculum overhaul.

In turn, all children need to sign and subscribe to our school's Acceptable Use Policy (AUP) which sets out very clearly how children use and access equipment and online resources. The policy has been looked at by the children who are on the E-Safety Council and they fully agree with the content! Staff will be signing a similar agreement.

We would be extremely grateful if you could support us in this by signing the attached policy and returning to school **by Friday 2<sup>nd</sup> December**. A copy of the policy will be uploaded to our website for reference.

Thank you so much in supporting our commitment to keeping your children safe online.

Yours sincerely,

**Mr D Barrow**
