Dear Parents and Carers

CLASSROOM TALK PROJECT – UNIVERSITY OF CAMBRIDGE RESEARCH

You may recall that 6L took part in the first stage of a Cambridge University research project back in October. The second stage of the project will take place on the first day back after the half-term break, i.e. Monday 27th February, and will involve two researchers making video recordings of the class teacher. As explained previously, the focus of the recording will not be the children. However, your child may incidentally appear in some of the video recordings (unless they are deliberately seated out of camera range).

At all stages the children's right to anonymity and right to withdraw will be respected. If you **do not** wish your child to be included in any assessments and/or appear in any video recording made during this study, please complete the section below and return it to school **no later than 9.00am on Monday 27th February**. If we do not hear from you, we will assume that you are happy for your child to take part in the research.

If you have any questions about this study, please contact the project's Research Associates, Dr Maria Vrikki (mv387@cam.ac.uk) or Dr Lisa Wheatley (lw545@cam.ac.uk) during school hours.

Kind regards,

Mr A Lee
