Dear Parents and Carers,

PARKING OUTSIDE THE SCHOOL

Further to recent polite requests on the newsletter, I have once again been contacted by residents surrounding the school about inconsiderate and dangerous parking. This has taken the form of blocking driveways, parking in appropriate places and parking on the yellow zig-zag lines outside school.

The most recent complaint was substantiated with photographic evidence, which made it very clear which cars were causing the issues. I do know of schools that regularly publish on their newsletter the vehicle registration numbers of those parents who do not park safely and with care. I would prefer not to go down this route, but cannot see an alternative solution unless things improve.

Please may I remind you again to be considerate of our neighbours and to park safely without obstructing driveways? I will be contacting the community police to carry out random checks on the situation.

Thank you for your co-operation in this. I know that many of you will read this and be disheartened, so please support us in hoping that the situation improves for the safety of all our children and community members.

Yours sincerely,

Mr D Barrow
Head Teacher
