Dear Parents and Carers,

## **ONLINE SAFETY – YEAR 1**

This week in our online safety lesson, we have been learning about 'Our Creative Work'. We learnt how to define 'credit' and talk about some reasons why credit is important to an artist. We talked about how we would feel if someone took credit for somebody else's work. We then created our own self-portraits and ensured our names were on them to receive credit for our masterpieces!

## **Why not have a go at creating a family agreement (with help from the NSPCC)?**

*Creating a family agreement is a great way to start talking about online safety. It'll help your child understand what behaviour is appropriate when they're online. And they'll know who they can turn to if they are ever worried about anything they see or do. Download and print the NSPCC's agreement template to get started:*
