Dear Parents and Carers,

YEAR 5: SEX EDUCATION

Over the next half term, as part of Science and Personal, Social and Health Education, your child will be receiving lessons on sex education. We will be focusing on the changes the body goes through during puberty for both boys and girls. As well as this, we will be looking at the importance of maintaining good personal hygiene during this time.

All teaching materials are appropriate to the age and emotional maturity of the class, and we will aim to present the programme in an objective, balanced and sensitive manner.

If you have any queries or concerns, please do not hesitate to contact us.

Kind regards,

Miss Eggleton and Mr Sharp
