Dear Parents and Carers,

## CLASS HAMSTERS: COCOA AND MARSHMALLOW

Firstly, thank you for those of you who have taken such good care of Cocoa and Marshmallow throughout the year; they are very lucky hamsters! It has been an amazing experience for the children and they have learnt many skills from having to care for the two hamsters in and out of school. Due to the hamsters being such a success, I would like to offer the hamsters up for the summer holidays; I know that they will be well looked after in all of your homes.

The hamsters will come to you with enough bedding, sawdust and food (including treats) for the six weeks. I understand that many of you will be going away and will not be able to care for the hamsters but, if you are able to, it would be great if you could either let me know by catching me on the playground or by completing and returning the reply slip below. If there are more than two replies, I will need to pull names out of a hat to make a final decision and I will let you know whether you have been chosen next week.

Furthermore, we have a four weekends free in the run-up to the summer holidays. If you would like to look after one of the hamsters for another weekend, please complete and return the reply slip below with the relevant box ticked, or just catch me on the playground. I will let you know which date the hamster will be coming to stay with you once your slip has been returned. Thank you again for your support,

Miss L Eggleton
