Dear Parents and Carers,

6E: CLASS HAMSTERS

I'm sure that most of you are already aware that we have two Russian dwarf hamsters in 6E, Cocoa and Marshmallow. We will be looking after the hamsters in the classroom, but many children in the class have already expressed an interest in taking the hamsters home either for the weekend or the holidays.

If you are interested in giving a hamster a home (temporarily), please complete the permission slip below and return it to school no later than **Monday 25th September**. Once all slips have been returned, I will create a class pet rota – you will be notified in advance when the hamsters are coming to stay. If, for any reason, you cannot have the hamsters on a certain date (or at all), please let me know and we can re-arrange. When taking the hamsters home, you will receive a weekend bag with their food and other toys.
