Dear Parents / Carers,

## **ACTIVE LIVES SURVEY – 2T**

Further to my letter dated 19<sup>th</sup> October regarding the Active Lives Survey, we now have the link to the parent survey.

The survey will take around 20 minutes to complete. This will supplement the answers your child gives in their survey with more detailed information, and will help to build a broader picture of activities done by children of this age. You can complete the survey at home; many parents find it helpful to complete the survey with their child present.

Ipsos MORI will store your information securely and keep it confidential. The County Sports Partnership and Sport England will know which schools and year groups have taken part, but will not know which individual children or parents have taken part. You will not be required to provide your name. Your answers will be combined with other people's answers and only anonymous data will be reported. The results will be presented in a statistical report and no individual child, parent or school will be identified in the published report or statistics. The research is being conducted in accordance with the Market Research Society Code of Conduct.

The link to the survey is <https://ipsos.uk/4h8ztB> (only one parent per child please).

If you are able to complete this survey, it would be much appreciated.

Many thanks,

**Miss K Harrison**  
PE Co-Ordinator
