Head Teacher: Mr D Barrow

6th December 2017

Dear Parents and Carers,

5S: CLASS HAMSTER

I'm sure that most of you are already aware that we have a new class member – our currently unnamed hamster! He is a Russian dwarf hamster and we are learning about how we can keep him happy and healthy.

Many children in the class have expressed an interest in taking the hamster home either for the weekend or the holidays. If you are interested in giving a hamster a home (temporarily), please complete the permission slip below and return it to school no later than **Monday 18th December**. Once all slips have been returned, I will create a class pet rota – you will be notified in advance when the hamsters are coming to stay. If, for any reason, you cannot have the hamster on a certain date (or at all), please let me know so that I can make alternative arrangements. When taking the hamster home, you will receive a weekend bag with their food and other toys.

Kind regards,

Mr D Sharp
