25th April 2018

Dear Parents and Carers,

OFSTED INSPECTION

Thank you so much for all your positivity, support and good wishes regarding our inspection yesterday. We all felt that you and the children were behind us every step of the way and it is really appreciated.

The lead inspector has made a provisional judgement. This will now go off for quality assurance and I will advise you as soon as the commentary is available. This shouldn't take any longer than two weeks.

We were all very pleased with the outcome and, amongst the many things that stood out, was the unprecedented positive response from parents on Parent View. Thank you for this; it was a particular stand-out moment in the inspection. The children also conducted themselves impeccably and were rightly proud of their school. Our talented staff, across all areas, really shone too. There was an air of serenity on the day itself!

As this was a one-day inspection, we do not receive a full report as has previously happened. The lead inspector will put his findings in the form of a letter, which will be shared with you as soon as it is available. It should detail the improvements that the school has made in the last four years, especially given the rigour of the new inspection framework which has certainly kept us on our toes!

In the meantime, continue to be proud of our wonderful school. I still see it as a privilege to lead it.

Yours sincerely,

A handwritten signature in black ink, appearing to read "D Barrow".
