11th May 2018

Dear Parents and Carers,

TAKING CARE PROJECT

Next week, the children will be learning about the Taking Care Project. The programme aims to teach children about feeling safe and building networks of support that they can use if they do not feel safe. The curriculum is based on the protective behaviours process. We will be talking about using safe language, how our body lets us know if we are not feeling safe, safe and unsafe secrets, the importance of children learning to name their body parts correctly, and building a safe support network to talk to.

If you have any questions regarding the programme, please speak to Mrs Fenner.

Kind regards,

Mrs Fenner and Mrs Ashley
