16th May 2018

Dear Parents and Carers,

I am very pleased to let you know that the letter following our recent Ofsted inspection is now available. I have attached a copy for you to read. It will be online in five working days.

You will see that we have maintained our **overall good** judgement, which is a significant achievement in today's educational climate. I think the letter reads well and was based on a snapshot day. I do hope you enjoy reading the letter. You will see that it is much briefer than reports of the past.

I wanted to reiterate my thanks to you all, particularly with all the positive feedback received on Parent View. To me, that says much more about a school. I know that we all do an exceptional job with our children. St John's has worked incredibly hard over the last six years to not only give a superb all-round educational experience, but to improve its reputation within the community too. That is something we have all achieved together.

To follow on from this, we have our second piece of good news. St John's has also been successful in its application to become a **National Teaching School**. We are all so excited to achieve this and we are only the second primary school in Warwickshire to do so. In short, this means we will be leading on:

- Co-ordinating and providing high quality school-based initial teacher training;
- Providing and brokering school-to-school support to those schools who need it most;
- Providing evidence-based continued professional and leadership development for teachers and leaders across our network.

I hope this reiterates that we are all highly ambitious for our school and children, and are continually working hard to be the best that we can be.

Thank you again for your support and positivity. It really is appreciated.

Yours sincerely,

Mr D Barrow
Head Teacher
