Head Teacher: Mr D Barrow

23rd May 2018

Dear Parents and Carers,

YEAR 6 – PSHE

Next term, as part of our Personal, Social, Health and Citizenship Education, we will be covering a series of lessons on relationships, sexual health, and drug and alcohol awareness. The focus of this work will relate to friends, families and relationships; the changes which occur during puberty, why they occur and how to deal with them; human reproduction within a loving, stable relationship; the short-term and long-term effects of smoking and alcohol and the harm that can be caused by taking illicit substances.

The purpose of this letter is to inform you that this work will begin after half-term. You may find that your child starts asking questions about the topic at home, or you might want to take the opportunity to talk to your child about issues such as those above (puberty, boyfriends and girlfriends, and the emotional changes which they might experience) before the work is covered in school.

If you have any queries about the content of the programme or resources used, please do not hesitate to contact either of us at school. All materials used are available for you to browse through, should you so wish.

Kind regards,

Mr A Lee

Miss L Eggleton
