Dear Parent / Carer,

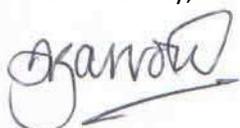

During your child's life at St John's Primary School, we may wish to take photographs of activities that involve your child. The photographs may be used for Local Education Authority displays, publications and on our website or by local newspapers. This can be motivating for the children and provide a good opportunity to promote the work of the school. Photography or filming will only take place with the permission of the Headteacher or class teacher and under appropriate supervision. We feel that we have a duty of care towards pupils to ensure that they remain unidentifiable. Children will only be named if there is a particular reason to do so (eg they have won a prize), and home addresses will never be given out. Neither images that might cause embarrassment or distress nor images associated with material on issues that are sensitive will be used.

Before taking any photographs of your child, we need your permission. Please answer the questions below, sign and date the form, and return it to the school office.
