

St John's Nursery Information for Parents and Carers

Nursery Fund

We ask for a voluntary weekly contribution of £1.00 per child to ensure that we can provide all of the consumable items such as cooking ingredients, playdough ingredients, shaving foam etc. This can be paid weekly or termly.

Clothing

Please dress your child in clothes that they can manage themselves – elasticated waist, Velcro fastenings etc. This will encourage your child to develop independence in dressing and undressing.

Outdoor Clothing

Children are encouraged to spend as much or as little time outdoors as they choose, so please make sure that they have suitable clothing to enable them to do so – sun hats and sun cream (applied by you before the session) and a light raincoat or jacket in summer. Warm coat, hat, gloves and wellies are needed in winter. Please make sure all items of clothing are clearly named.

Toilet

We will of course help your child to get changed, should they have a minor toileting issue. Please provide your child with a bag of spare clothes, wet wipes and small bags in which to put soiled clothes. This bag can be kept at Nursery on your child's coat peg. However, we do not have the facilities to clean and change heavily soiled children. Therefore, should this happen, we will contact you or a named carer to come and collect your child.

Sickness

If your child is sick, either at Nursery or home, they must stay at home for 48 hours following the last bout of illness.

Observations Learning Journals

and Please feel free to look through your child's learning journal whenever you wish and to add photographs or notes about any exciting things that your child has done at home!

Snack Time

Fruit, milk and water are provided, with your child free to help themselves to snacks when they choose to do so. Therefore, you do not need to provide any extras! However, on special occasions such as birthdays and holidays, some children like to bring a cake or sweets to share with their friends; you are very welcome to do this.

Notice Board

Please check the notice board outside Nursery for any information.
